Subject: Current and Future Objectives for FEGGA.

- What does your Association need from FEGGA?
- How does your Association perceive FEGGA?
- What does FEGGA currently do well?
- What can FEGGA improve on?
- How can your Association better support FEGGA?
- How can your members gain maximum benefit from FEGGA products?

Aims:

- Discuss FEGGA in an informal and relaxed atmosphere, but to an agreed structure.
- Invitation for one person from each Association to attend.
- The platform is capable of showing PowerPoint slides to each participant if necessary; please indicate if you would like to use slides
- Question and answer session
- Follow-up written summary to be produced and circulated for feedback

Suggested Content and Presentations:

- Every Association invited to give a summary of how they see FEGGA, and what they feel they currently gain, and should gain, from membership
- How can Associations better support FEGGA?
- How can Associations make more use of FEGGA?
- How can Associations make best use of the products that FEGGA makes available?
